

Board of Directors and National Board of Advisors 2010-2011 Nomination Form

Access Justice is currently in the process of expanding our Board of Directors. If you know any person who you believe would serve Access Justice in the furtherance of our Mission and Vision, we will be pleased to receive your suggestion(s).

In addition, Access Justice is currently establishing a National Board of Advisors, consisting of distinguished persons in a wide variety of fields and professions (including, of course, attorneys, law professors/deans/assistant deans, and leaders in nonprofit organizations dedicated to serving the poor and low income people. This NBA will have no management or executive responsibility, but will simply act to provide Access Justice with guidance and suggestions as to how we better fulfill our mission to provide quality and affordable legal services in Minnesota, and, eventually, across the country.
